STRATEGIC PROJECT MANAGEMENT

5-Day Corporate Training Programme

OVERVIEW

This intensive 5-day programme is designed to equip professionals with modern project management tools, techniques, and strategies necessary for successful project planning, execution, and delivery in today's fast-paced and complex environments. Participants will learn to align project goals with organizational strategy, manage risks, lead cross-functional teams, and apply digital tools to boost project efficiency and outcomes. The course is aligned with global standards such as PMI's PMBOK and tailored to 21st-century challenges, including sustainability, digital transformation, and stakeholder agility.
